	NAGCs application of ASC 740 regarding uncertain tax positions had no effect on its financial position as management believes NAGC has no material unrecognized income tax benefits, including any potential risk of loss of its not-for-profit tax status. NAGC would account for any potential interest or penalties related to possible future liabilities for unrecognized income tax benefits as income tax expense. NAGC is no longer subject to examination by federal, state or local tax authorities for periods before 2017.
