Agency Overview

At Neighborhood House (NH), our vision is a healthy, diverse, and welcoming community, where everyone thrives. We serve over 16,000 individuals in Seattle/South King County in the areas of civic engagement, citizenship, employment, health, housing, resource navigation, and aging adults. In addition to our expertise and deep connection to our communities to advocate for equitable access to services, we strive to advance equity for all.

When one of us succeeds, we all succeed!

Neighborhood House is on a mission to becoming a multi-cultural, anti-racist agency. We are committed to listening to and learning from each other and our communities, and working to repair past inequities. Here equity is the foundation, inclusiveness is the default, and access for marginalized communities is the goal.

Our Agency Values include Community, Equity, Integrity, Relationships, and Sustainability. More information on our values can be found [here](#).
